The well-loved amenities of Dolores Park are in need of significant rehabilitation. These changes can't happen without input from the users of Mission Dolores Park. With your help, the park will soon be as good as new. Please join your neighbors at the first community meeting to discuss the improvements and help ensure that the plan addresses the diverse needs of the park and its users.

Workshop #1: The design team & city staff will introduce themselves & the project, then lead groups on a site walk to evaluate the park's existing conditions. Groups will report back about their findings & brainstorm improvement needs.
